

FEE SCHEDULE

FOR DEPARTMENTS OF

Effective July 1, 2009

The following Fee Schedule is based upon fees set by United States Code (USC), Code of Federal Regulations (CFR), Oregon Revised Statute (ORS), uncodified Oregon session laws (OL), Oregon Administrative Rule (OAR), Oregon Building Code (OBC), Oregon Mechanical Specialty Code (OMSC), Lincoln County Code (LCC), and Board of Commissioners Order (BOC).

The department head of each department reserves the right to waive a fee or fees in appropriate circumstances, such as for indigent persons seeking essential governmental services, or for services that are provided to a member of the public, but that also provide a direct benefit to the department.

This Fee Schedule is an attempt to list all fees commonly charged by each department to the public. This schedule does not include interdepartmental charges, interagency charges, franchise fees, or prices for specialized reports and publications. Some omissions may have inadvertently occurred. If an inadvertent omission is discovered, please notify Legal Counsel so the omission can be remedied in the next edition of this Fee Schedule.

First pool or spa	\$318
Each additional pool or spa on the same site	\$212

¹³ The fees for supplies and procedures provided at county health clinics is based upon actual cost, and therefore varies according to cost. ORS 431.415. Behavioral Health fees are determined by an annual cost report; Health fees are based on Relative Value Units and actual supply costs. A sliding fee scale is applied to all charges other than for supplies. The Health & Human Services Department maintains a list of current fees. All fees, including, but not limited to, outstanding reinspection fees, late payment penalty fees, and returned check fees, must be fully paid prior to issuance or renewal of a license.

¹⁴ For full service and limited service restaurants, and bed and breakfast facilities, Oregon law provides that a “license expires annually on December 31.” ORS 624.020(2). “To reinstate a license after the December 31 expiration, the applicant must pay a reinstatement fee of \$100 in addition to” the required license fee. ORS 624.020(3). “If the applicant reinstates the license after January 31, the reinstatement fee shall increase by \$100 on the first day of each succeeding month until the license is reinstated.” ORS 624.020(3). Payment for license fees must be received in the office of the Public Health Division office by December 31 to avoid a reinstatement fee. Under Oregon law, a license is not transferable between operators or locations, and no refund can be issued for any unused portion of a license. ORS 624.020(9).

For all other licenses, except for travelers accommodations and organizational camps (which are subject to delinquent fees under ORS 446.323), a license that is not renewed on or before the expiration date of the license is delinquent. To be renewed in a timely manner, payment must be received in the Public Health Division office on or before the due date. If the delinquency extends 31 days or more past the expiration date, the licensee shall pay a delinquency fee in addition to the renewal fee. The delinquency fee shall be equal to 50 percent of the license renewal fee and shall be increased by 50 percent of the license renewal fee on the first day of each succeeding month in which the license is not renewed.

For all Public Health Division licenses, a license shall not be issued to an applicant/operator until all fees, including all reinspection fees, reinstatement fees, and other fees due and owing to the Public Health Division for current and expired licenses held by the applicant/operator have been fully paid.

¹⁵ The fees listed in this category **include** the surcharge imposed by the Health Division of the Oregon Department of Human Resources. ORS 624.510(5). The number of seats is determined by procedures established by the county Public Health Division.

²⁶ Oregon law requires all adult (over 6 months of age) dogs to be licensed. The Sheriff's Office may also enter into agreements with other entities to sell licenses as agents of the Sheriff's Office, in which case the Sheriff's Office may agree to provide payment of up to \$1 of each collected license fee for that service.

Coordination of rabies/license year: A rabies certificate is required and is a prerequisite to issuance of a license. A rabies certificate must be good at least 10 months of the licensing year. If your rabies certificate is not valid 10 months of the licensing year, you need to revaccinate your dog. If you do not revaccinate your dog so that the rabies certificate is valid for 10 months of the licensing year, your license will expire at the same time your rabies vaccination expires, and you will then be required to get a new rabies vaccination for your dog. To extend your license to the end of the licensing year, there is an administrative fee of \$5.

New spaying/neutering: If your dog has been spayed or neutered during the last year, a certificate from a veterinarian is required. No other proof can be accepted (you will be required to pay a higher fee if you have no certificate).

²⁷ Staff has discretion to reduce fees by 50% based on senior citizens needs.
