Thank you for showing you care by licensing your pet, providing your furry family members with a safe way home. License fees support shelter programs and operations which provides over 1,000 animals with food, veterinary care, safe shelter, training, behavior enrichment, foster and adoption services each year. In addition, license fees support field services and investigations to address cruelty, neglect, loose pets, aggressive dogs, and bite reports.

You may license your pet by bringing documentation and payment to the Animal Shelter or by mail. Checks should be made payable to LCAS. **You must provide a copy of your rabies certificate and proof of spaying or neutering** (if applicable) **with your payment.** If your pet's rabies vaccination is current, you may also pay by credit card by phone. You may purchase a one-year, two-year, or three-year license, up to the date of the rabies vaccination expiration.

It is important for your pet to wear their tag. License tags enable us to contact you as soon as your animal is found--providing you peace of mind, leaving space at the shelter for another animal in need, and saving the community tax-payer money. Cat licensing is optional; however, not licensing your dog could result in a \$242.00 citation.

If you are renewing your pet's license, you may keep your current tag and number, or receive a new license tag. Would you like us to mail you a new tag? Yes No (please circle)
