JUNK AND SECOND HAND DEALERS AND GARAGE SALES

4.005 Findings and Purpose

(1) The Board finds that:

(a) Junk and secondhand dealers may knowingly or unknowingly be a conduit for the sale or purchase of stolen property;

(b) Such business should be regulated by requiring a license issued by the Board;

(c) Licenses for junk and secondhand dealers should be denied, suspended, or revoked when the conduct of such business presents a threat to the peace, health, or safety of the people of the county; and

(d) ORS 203.035 authorizes the regulation of junk and secondhand dealers by the county.

(2) The purpose of LCC 4.005 to 4.065 is to provide for the peace, health, and safety of citizens of the county by regulating junk and secondhand dealers and garage sales. [1994 o. 349 §1]

4.010 Definitions

As used in LCC 4.005 to 4.065, unless the context requires otherwise:

(1) "Garage sale" means a sale of secondhand articles or junk at a private residence where such sale does not occur more than twice each calendar year. "Garage sale" includes the sale of secondhand articles or junk by religious, charitable, fraternal, or other eleemosynary organizations, provided that such sales occur not more than six times each calendar year.

(2) "Junk" includes, but is not limited to, old rope, old iron, brass, copper, tin, lead, rags, empty bottles, paper bagging, scrap metals of all kinds, and other worn out or discarded material.

(3) "Junk dealer" means any person who owns and operates a junk shop, except for a person conducting a garage sale.

(4) "Junk shop" means any storeroom building, yard, enclosure, or other place where junk is sold or bought for profit or pleasure; provided however, that such definition shall not apply to automobile wreckers where automobiles are purchased and certificates of title furnished.

(5) "Secondhand articles" means any used personal property except books, including, but not limited to, used wearing apparel, tools, goods, wares, merchandise, or other articles and things usually found in a secondhand store.

(6) "Secondhand dealer" means any person who buys, sells, or otherwise deals in secondhand wearing apparel, tools, goods, wares, merchandise, or other articles and things usually found in a secondhand store, except books, or any person who goes from house to house or place to place within the county purchasing or soliciting the purchase of gold, silver, or other precious metals or jewelry. For purposes of this ordinance, a secondhand dealer shall not include a person conducting a garage sale or a person whose business is the sale of art objects, furniture, or other articles which have a value based on rarity or the time elapsed since the articles were produced.

(7) "Secondhand store" means any store, room building, yard, enclosure, or other place where secondhand articles are bought, sold, or traded for profit or pleasure.

4.015 Licenses

(1) It shall be unlawful to operate or keep any secondhand store or junk shop without first having obtained a license as provided in LCC 4.005 to 4.065.

(2) No license granted under the provisions of LCC 4.005 to 4.065 shall be assignable.

4.020 Application for License; Temporary License upon Application

(1) Application for a license shall be made upon forms provided by the Board.

(2) The application shall constitute a temporary license valid for thirty days. The application, or a copy thereof, shall be referred to the sheriff for investigation prior to issuance of a final license. If it appears to the sheriff that a final license should not be issued to the applicant, the sheriff shall notify the Board and shall set forth why, in his opinion, the applicant should be denied.

4.025 Issuance of License; Revocation of License

(1) After receiving the report of the sheriff, the Board may grant a final license to applicant.

(2) Nothing in this chapter shall be construed to create a vested right in a person to the assignment, renewal, or continuance of a license. The final authority on licenses shall be the Board which may revoke, cancel, or refuse issuance or renewal of a license as follows:

(a) Fraud or misrepresentation in its procurement;

(b) Violation of any state or federal statute involving moral turpitude, where the circumstances of the violation adversely reflect on applicant's or licensee's ability to engage in the occupation, profession, trade, or calling in a lawful manner; or

(c) Violation of federal or state law or county rule relating to the business or activity subject to the license and resulting from the conduct of such business or activity. Conviction of a crime or violation of this chapter is not required for revocation, non renewal, or refusal to issue a license.

(3) At any time the sheriff or district attorney may recommend the revocation of any license granted under LCC 4.005 to 4.065. The recommendation shall be in writing and include the reasons therefor.

(4) Whenever the Board refuses to issue, fails to renew, or revokes the license of any person, the Board shall afford the applicant or license holder an opportunity for a hearing at which witnesses and interested parties may be heard.

(5) Reapplication after revocation or suspension may be made at any time after revocation or suspension as provided in LCC 4.020.

4.030 Renewal of License

(a) The day and hour an article was received, pledged, or purchased;

(b) The amount loaned or price paid;

(c) A description of each article received, pledged, or purchased, including a number, word, or initial engraved on or attached to the article, and the style and number of settings;
