

Lincoln County Voters' Pamphlet Special Election May 17, 2005

This Voters' Pamphlet is provided to give you, the voter, additional information on candidates and measures. You will not vote on every office in this pamphlet. Your ballot will contain only those issues for which you are eligible to vote - based on where you live. Each candidate had the opportunity to submit a picture and statement regarding his/her candidacy. These are located in the front section of this pamphlet. We have also included a "General Candidate Information" section to provide you with some information on all the candidates. If you have any questions, please call our office at (541) 265-4131. Also visit our website: www.co.lincoln.or.us/clerk/

Dana W. Jenkins, Lincoln County Clerk

A community's most important obligation is to provide a good education to its youth. Beyond that basic level, a community has the opportunity to provide basic and continuing education through a community college. This is especially important in rural areas such as Lincoln County. Through a strong community college, the mechanism is available to stabilize the lives and provide training important for good employment opportunities within our community.

Oregon Coast Community College is of great service to our communities throughout Lincoln County. It is well-run and efficient with its resources. I have served on the board in the past and would appreciate the opportunity to serve my community again.

OTHER APPLICABLE EXPERIENCE: Graduate of Leadership Lincoln

A heartfelt thank you to the voters of Lincoln County who voted to fund buildings for Oregon Coast Community College-this is a tremendous commitment to Lincoln County's future. Permanent campus facilities in Lincoln City, Waldport, and in the Newport area will have significantly positive impacts on the entire county's economic development, workforce training, and lifelong learning opportunities.

That vote placed responsibility on the college's board members to spend every dollar for these new buildings very carefully. We take that responsibility most seriously. We're evaluating potential locations, and recently hired an architectural firm with considerable experience in designing community colleges.

I am committed to developing buildings and campuses that are useful, cost-effective, environmentally-responsible, and aesthetically-pleasing to each community in which they are located.

I continue to strongly support qualified high school students taking courses from OCCC while still in high school. I was able to do this at an Oregon community college, allowing me to transfer into a university as a sophomore, saving a year's time and university tuition. I know in Lincoln County we have many students who could do this too.

If you have any items of interest or concern regarding Oregon Coast Community College you would like to discuss, please contact me at 264-9009 or at chris4collegeboard@newportnet.com.

I ask for your vote for re-election on May 17.

PACIFIC COMMUNITIES HEALTH DISTRICT

Director, Position 4

KATHLEEN (KATH)
SCHONAU

NONPARTISAN

OCCUPATION:

Geriatric Nurse Casemanager, Co-owner Aging Wisely With Heartfelt Hands, 2years

OCCUPATIONAL BACKGROUND:

- 1) Registered Nurse, Social Services & Discharge Planning, PCHD, 9 years
- 2) Surgical Nurse, Lutheran Hospital, 11 years
- 3) Case Manager, Senior Disabled Services, 2 1/2 years

EDUCATIONAL BACKGROUND:

- 1) Bachelor Social Work, UC Berkeley
- 2) RN, Presbyterian School of Nursing, Denver, Co

PRIOR GOVERNMENTAL EXPERIENCE:

- 1) Pacific Communities Health District, Board of Directors, 4 years
- 2) Samaritan Pacific Health Services Board of Directors 3 years

It has been an honor to work with the present members of the Board of Directors, Don Butsch, Dr. David Long, Bonnie Saxton and Debra Minchow. Each of these people brings a unique background, expertise and intelligence to the Board, along with a deep desire to advocate for the people in our district. As a Registered Nurse at Pacific Communities Hospital for 9 years, I had the opportunity to see the hospital from an inside view, bringing a unique view to the Board.

My goals for the next four years will be:

- 1) To continue to work for the highest quality, health care for our community.
- 2) To maintain an environment which recognizes the excellent physicians and nurses we now have here and which attracts new providers.
- 3) To maneuver through the serious financial challenges our small rural hospital will face over the next four years.

With the affiliation with Samaritan Health Services 3 years ago, the role of the Board has changed from the day to day management of the hospital to ascertaining that the terms of the affiliation with Samaritan are being met and to care for the land and buildings owned by the district. I sincerely believe it is in the best interest of our district to maintain consistent leadership on the Board for the next four years by re-electing the present members.

PRIOR GOVERNMENTAL EXPERIENCE:

Member-Toledo Volunteer Fire Association - Oct. 1993 to present
Toledo Rural Fire District Budget Committee - 2002 to present
Treasurer - Toledo Volunteer Fire Association - 1995 to present

I have long experience with the Fire Department. It is with this in mind that I am ready and willing to serve on the Toledo Rural Fire District Board. I will bring years of budgeting experience with me to this post as well as a sense of the needs of the community and the volunteers who so generously serve it. I feel that it is important in this time of growth and change that there is clear, strong leadership. As the fire department offers services to areas that once had no fire protection at all, we will be in need of strong leaders and forward thinking people. I know I can be a positive part of a community-minded team where my emphasis will be on building relationships and partnerships to better use every tax dollar.

Statement:

I am interested in the protection and health of Devils Lake for all its resources and users. With good decisions, our quality of life and the health of the lake can be improved. As a professional biologist, I studied the lake's ecology, waded in most of its wetlands and explored its watershed for 28 years. I chose to raise my family in this beautiful place. Thus, I bring a long-term and fact-based perspective to decision-making for the district.

Many of the current decisions facing the Lake District are technical. How do we protect our lake's native salmon? How can we improve its water quality? While always keeping in mind the lake's uses for recreation and homes. A working knowledge of these and other problems will be critical. I feel that my training and experience can be of great service to the Lake and District residents. During my past board term, I worked hard to improve the Lake. I obtained three state grants that support watershed council volunteer efforts to monitor the water quality of Devils Lake's tributary streams. I helped to design and get grant funding for planting projects to help enhance lake conditions. But our work is just beginning.

Some things are worth protecting: healthy fish, clean, clear, swimmable water. Our lake is our treasure. We should treat it with care. Using the best information, up to date knowledge and dedicated service, I will work to do exactly that.
