PRIOR GOVERNMENTAL EXPERIENCE: Siletz Local School Committee for 16 years; Siletz Planning Commission, 6 years

I, Bob Kowtko, have lived in Lincoln County for the past seventeen years. I have had two children graduate from the Lincoln County School system and have two children currently attending school. For the last sixteen years I have served on the Siletz Local School Committee. Parents, community members and employers are all needed to make the school system work. The children are our future and we need to pool all the resources and work together to improve the quality of education they receive in Lincoln County.

Instead of cutting programs and teaching staff, we need to find alternate funding sources to meet the needs of our students and prepare them to enter the workforce. We need to use technology as an essential part of the student's learning process.

If elected, I will work for all of our student's success.

OCCUPATION: Casemanager; Senior Disabled Services
OCCUPATIONAL BACKGROUND: Social Services Registered Nurse; PCHD; 9 years

EDUCATIONAL BACKGROUND: Bachelor Social Work; UCB
 RN; Presbyterian School Nursing; Denver
PRIOR GOVERNMENTAL EXPERIENCE: None

I have 3 goals in running for the Board of Directors. My first is to make PCHD the hospital of first choice for our community. Too many people travel to the Valley for medical care. The Board should encourage feedback from patients regarding their treatment and to research what motivates so many of our citizens to travel hours away for medical needs.

My second goal is to work passionately for nurse and physician retention. When our nation is facing a national nursing shortage, it is imperative that we create an environment where nurses and physicians are valued and respected! It is ominous that our Oregon Nurses Association has met with administration 11 times over 8 months and still not agreed on a workable contract.

My third goal is to ensure that if the affiliation with Providence proceeds, the Board must protect the rights of our citizens. A woman who is raped should be given all medical options in the ER, including medications which prevent pregnancy. A terminally ill person shouldn't have to travel to Portland to discuss Physician Assisted Suicide. The goal of the Board of Directors should be to provide the highest quality care for the tax payers of this tax district locally.

As the Social Service RN at PCHD for 9 years, I was in the unique position of working with all the departments in the hospital, along with patients, physicians, insurance companies and community agencies. I served on the Ethics Committee and various interagency task forces. When problems arose, I was called on as a mediator. I left the hospital with the highest regard for the hospital staff and physicians, and I encourage you to ask the doctors and nurses about my qualifications.

OCCUPATION: Nurse Consultant and Qualified Mental Health Professional for Senior Services in Newport, OR.
OCCUPATIONAL BACKGROUND: Nurse Case Manager - Central Coast IPA - Newport, OR: Utilization review and quality assurance for Lincoln County Oregon Health Plan enrollees. Mental Health Professional - Jackson County Mental Health, Medford, OR: Quality assurance review, community outreach, assessment, education and nursing for county.

Independent Nurse Consultant - Self Employed - Jackson County, OR - Nursing support for adult foster home providers, consultant for specialized group homes.

Home Health Nurse - OPTION Care - Medford, OR: Assessment and education of patients for in-home infusion services.

Director of Nursing Services - Linda Vista - Ashland, OR: Responsibility and accountability for a team of nursing employees delivering care to 76 patients. Fiscal accountability for nursing budget.

EDUCATIONAL BACKGROUND: Nursing Degree - Oregon Health Sciences University (SOU) - 1988; LPN - Rogue Community College - 1978

PRIOR GOVERNMENTAL EXPERIENCE: State Mental Health Division - Salem, OR - Participated on a committee to develop curriculum for adult foster homes serving mental health and developmentally disabled clients throughout the state.

My broad professional experience in health care, more recently with seniors, as well as my experience as a mother and grandmother help to define my interest in local health care. As a Board member, I would work to assure that the district provides a range of quality services that meets the needs of our population. In representing the citizens of the district, I will facilitate an approach that allows ongoing dialogue, ensuring the public and the Board interact and exchange information openly. I will work to ensure that the district is managed in a fiscally responsible manner while serving the needs of the local community.

PRIOR GOVERNMENTAL EXPERIENCE: Board of Directors, Devils Lake Water Improvement District, 1/01 to present

I have lived in Oregon all my life. For the past 10 years, I have worked in Lincoln City as an elementary schoolteacher. I've lived on Devils Lake for the last 6 years.

I've enjoyed Devils Lake as a canoeist, power boater, fisherman, bird watcher, and property owner. It is a beautiful natural resource, set within our growing community.

I believe that the lake should be managed for multiple uses, preserving and enhancing its natural beauty while allowing for wise use and controlled growth by the City and its surrounding residents.

It would be an honor to serve on the board of Directors of the DLWID and work towards attaining these goals.

OCCUPATION: Oregon Coast Community College: Instructor biological sciences; Self-employed Environmental Consultant (Wetland delineation environmental assessment)

OCCUPATIONAL BACKGROUND: Oregon Zoo: Research associate; University of Nevada-Reno: Research assistant
Lincoln County School District: teacher

EDUCATIONAL BACKGROUND: B.S. Oregon State University 1972; M.S. Western Oregon University 1992; Additional post-graduate courses in geology, hydrology, soils, botany; Certified Professional Wetland Scientist 1995

PRIOR GOVERNMENTAL EXPERIENCE: Devils Lake Water Improvement District Board; Site Committee Taft High School Highland Estates Homeowners Association Vice President; Technical Advisor citizen's wetland committee; Goal 5 and 17 committee

PROFESSIONAL MEMBERSHIPS: North American Lake Management Society; Society of Wetland Scientists

I am interested in the protection and health of Devils Lake for all its resources and users. With good choices our quality of life and the health of the lake can be maintained and improved. As a biologist, I have studied the lake's ecology, waded in most of its wetlands and walked its watershed for the 24 years that I've lived here. Thus, I bring a long-term and fact based perspective to any decision-making.

I feel that it is a particularly important time for management of our natural resources. Many of the current decisions facing the Lake District will be technical. The Board will face such issues as how do we now manage the grass carp? How do we protect our lake's native salmon? How can we improve its water quality? And we must always keep in mind the lake's uses for recreation and homes. A working knowledge of these and other problems will be critical. I feel that my training and experience can be of great service to the lake and water district residents.

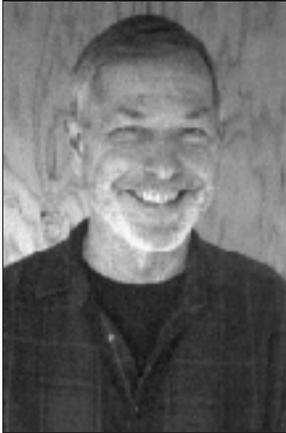

Some things are worth protecting: clean healthy fish, clear swimmable water. Our lake is our treasure. We should treat it with care. Using the best information, and up to date knowledge, I will work to do exactly that.

OCCUPATION: Sole proprietorship: North Lincoln Lawn & Garden

OCCUPATIONAL BACKGROUND: 1992-present: Owner - North Lincoln Lawn & Garden; prior to 1992: Landscape contractor, commercial fisherman and marine biologist.

EDUCATIONAL BACKGROUND: Master of Science; Biological Oceanography University of Hawaii; Bachelor of Science; Fish and Wildlife Management; OR State U.; Taft High School - graduated 1956

PRIOR GOVERNMENTAL EXPERIENCE: Currently serving as an appointed Director of the Devils Lake Water Improvement District

As a Lincoln City native, I have witnessed the changes in Devils Lake for more than 50 years. I have been a property owner in the District since 1975. My knowledge of the lake combined with my training in the biological sciences will be helpful in making decisions affecting the future of the lake.

Devils Lake is a multiple use lake and needs to be managed as such. It is important that the Biological health of the lake be maintained and improved as much as possible. Maintaining the health and usability of the lake requires the prevention of sediments and organic pollutants from entering the lake. It is also important to protect the remaining wetlands surrounding the lake.

OCCUPATION: Electrical contractor

OCCUPATIONAL BACKGROUND: Electrician/Stellite Engineer

EDUCATIONAL BACKGROUND: Clark College; Chemeketa - 4 years - Electrical

PRIOR GOVERNMENTAL EXPERIENCE: None

If I am chosen as a board member of Devils Lake Water Improvement District, my primary focus will be to create a balance between environmental awareness and protection and water use as a recreational asset. My wife, Darci, and I own several lakefront pieces and enjoy both water sports and the natural beauty of the variety of waterfowl. Our concern about water quality for both wildlife habitat and human enjoyment are primary. I am aware of the consequences of poor management and look forward to playing an active role in the improvement of the Devil's Lake Water Improvement District if elected.

PRIOR GOVERNMENTAL EXPERIENCE: Devil's Lake Water Improvement District Board; 1997-Present; Lincoln City Erosion Control Ad Hoc Committee 1996; Preservation Association of Devil's Lake - Chariman 1996-1997

Devils Lake is a valued resource to be cherished by all citizens of Lincoln City, as well as by the many visitors who spend time in our community. Whether you prefer swimming or sailing, water skiing or fishing, or just a great time at the lake observing the wonders of nature, it is an asset to be enjoyed by all. As our community grows, we must all be diligent and put forth our best effort in maintaining and/or improving Devils Lake for our continued enjoyment and for that of the generations to come.

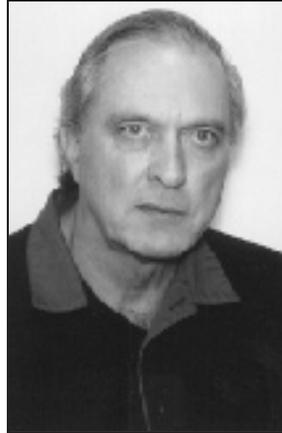

Endorsed by:

"Dave has pushed to bring the natural balance back to Devils Lake. A healthy lake is good for the community, the ecosystem and the future. He has the experience to continue to keep Devils Lake the unique coastal resource it is today."

The District should concentrate its efforts and expenditures on the purposes for which it was formed. In the pursuit of those purposes, the District should use reason, persuasion and education backed by accurate information, rather than confrontation and litigation. Devils Lake can reasonably be used and enjoyed by us all without undue infringement on property rights. The District Board should serve to unite the community and not become a source of discord.
