FAIR BOARD TO CONSIDER CONSULTANT REPORT AT NEXT MEETING

(10.27.15 – Lincoln County)

The Lincoln County Fair Board will hold a special meeting on Tuesday, Nov. 3 - 10 a.m. at the Courthouse in Newport. The main agenda item will be to consider action of a report from Don Mann, the consultant hired by the County earlier this year to pull together a series of recommendations on the future redevelopment of the County Fairgrounds.

Mann was hired by the County Commissioners and Fair Board to pull together earlier public input, including the work of the Blue Ribbon Fair Committee and a professional consulting team, as well as conducting further research.

Mann's report was delivered to the Fair Board at its Oct. 16 meeting and can be found online at:

The report details plans for redevelopment of the grounds, funding that work, and future management of the site. The Fair Board will consider whether to recommend the plan to the County Commissioners.
