Order No. 12-17-393

FOR DEPARTMENTS OF

This schedule does not include interdepartmental charges, interagency charges, franchise fees, or prices for specialized reports and publications. Some omissions may have inadvertently occurred. If an inadvertent omission is discovered, please notify Legal Counsel so the omission can be remedied in the next edition of this Fee Schedule.

¹³ The fees for supplies and procedures provided at county health clinics are based upon actual cost, and therefore vary according to cost. ORS 431.415. Behavioral Health fees are determined by an annual cost report; Health fees are based on Relative Value Units and actual supply costs. A sliding fee scale is applied to all charges other than for supplies. The Health & Human Services Department maintains a list of current fees. All fees, including, but not limited to, outstanding re-inspection fees, late payment penalty fees, and returned check fees, must be fully paid prior to issuance or renewal of a license.

¹⁴ For full service and limited service restaurants, and bed and breakfast facilities, Oregon law provides that a “license expires annually on December 31.” ORS 624.020(2). (2) Except as provided in this subsection, to reinstate an expired license the operator must pay a reinstatement fee of \$100 in addition to the license fee. If the operator reinstates the license more than 30 days after the expiration date, the reinstatement fee shall increase by \$100 on the 31st day following the expiration date and on that day of the month in each succeeding month until the license is reinstated. Ors 624.490(2). Payment for license fees must be received in the office of the Public Health Division office by December 31 to avoid a reinstatement fee. Under Oregon law, a license is not transferable between operators or locations, and no refund can be issued for any unused portion of a license. ORS 624.020(6).

A license that is not renewed on or before the expiration date of the license is delinquent. To be renewed in a timely manner, payment must be received in the Public Health Division office on or before the due date.

For all Public Health Division licenses, a license shall not be issued to an applicant/operator until all fees, including all reinspection fees, reinstatement fees, and other fees due and owing to the Public Health Division for current and expired licenses held by the applicant/operator have been fully paid.

¹⁵ The fees listed in this category **include** a remittance assessed by the Oregon Health Authority. ORS 624.510(2), ORS 448.100(2).
