*****Press/Media Release*****

Lincoln County Adult Parole & Probation has work crews available for hire to complete your next project. If you are a governmental agency or a non-profit group or organization, you can hire a supervised work crew at very reasonable rates.

The crew will be transported to your site by a Work Crew Foreman who will closely oversee the work. We provide most hand tools & power tools necessary to complete the job.

Typical projects include: *Landscaping, Trail Building, Brush Clearing, Illegal Campsite/dumpsite Clean-up, Flood Prevention, Painting Projects, Litter Patrol, Habitat Restoration, Storm Damage and Removal, Invasive Species Removal, General Labor, Rock, Mulch and Chip Placement, Demolition and Moving Furniture.*
