Newport, Oregon 97365

AGENDA

1. CALL TO ORDER

2. ACTION ITEMS

2.1 Adoption of Findings, Conclusions, and Final Order – Case File #10-C-PC-15.

The applicant is requesting conditional use approval to erect a 100-foot, three-legged, self-supporting wireless communication tower in association with the existing effluent pump station. The proposed tower will provide continuous feedback to the Toledo mill via cellular signal. The Lincoln County Planning Commission voted to approve the application following a May 23, 2016 public hearing.

The property is located at Georgia-Pacific's effluent pump station off Hwy 20 between Fruitvale Rd and NE Valley Ridge Ln.

Applicant: Georgia-Pacific Toledo Paper Operations, LLC

Agent: Glen Goins
