

# LEARN HOW LINCOLN COUNTY TRANSIT PLANS TO SERVE YOU BETTER!

## WHAT

The Lincoln County Transportation Service District (LCTSD) has developed a Transit Development Plan (TDP) which provides strategic guidance for the provision of transit services over the next 20 years. Come learn what's in the plan such as:

### Near-Term

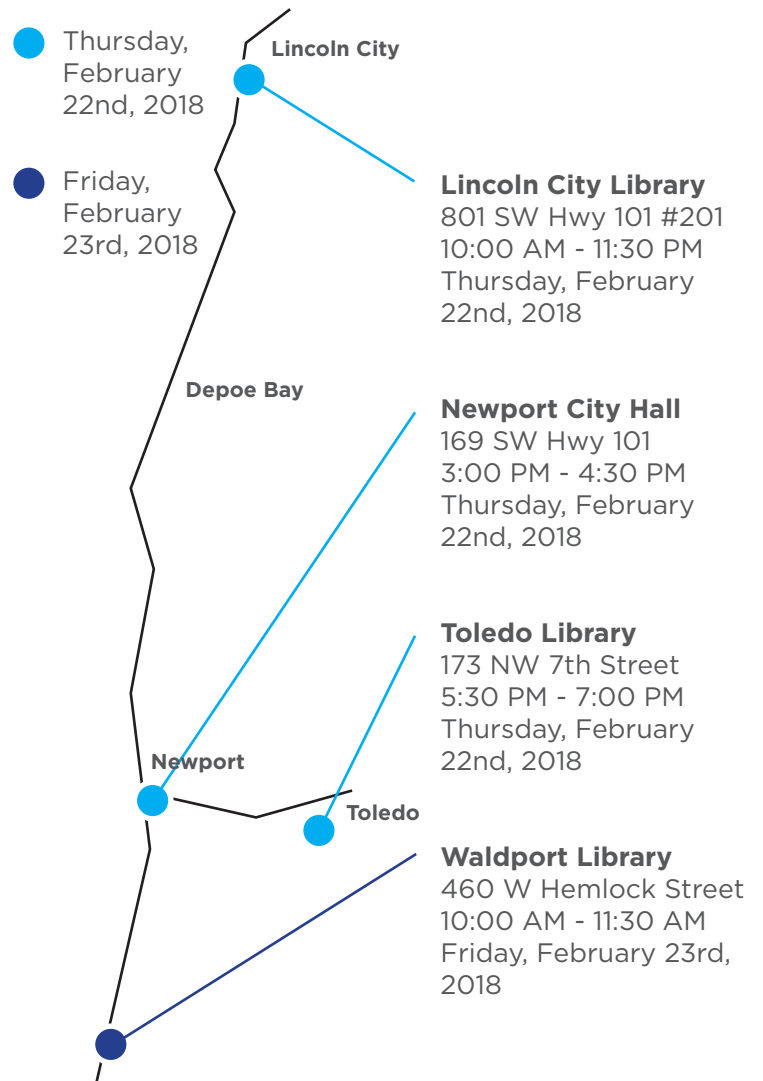

- More service coverage area in Siletz
- Sunday service in Lincoln City
- Additional frequency on the Coast-to-Valley and North County routes
- Additional hours and days for Dial-A-Ride
- Develop smartphone application for real-time schedules

### Mid-Term

- Create two Lincoln City Loops providing service to a larger area
- Create a Lincoln City peak tourist season route
- Modify the Newport City Loop and implement a Nye Beach-Bayfront Route
- Extend Dial-A-Ride to additional areas
