Lincoln County Tax Department Announces New Drive-up Drop Box for Property Tax Payments

(10.24.17 - Lincoln County, OR)

The Lincoln County Tax Department is excited to announce that there is another convenient way to pay property taxes. A new drive-up drop box has been installed in the parking lot of the Lincoln County Courthouse, in Newport, for property tax payments.

Taxpayers no longer need to get out of their vehicles to make tax payments inside the courthouse at the Tax Office. The new drop box will be available 24 hours per day, 7 days per week, between October 25th and November 15th.

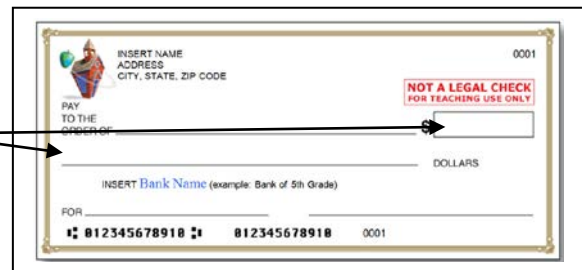

The payment drop box is located in the courthouse parking lot on the east end of the second row. This information will also be included in your 2017 Property Tax Statement.

When using the drop box, payments have to be made using checks only. **DO NOT USE CASH!**

Please review your check prior to sealing your envelope.

Do the numbers in the box match the words on the legal line?
