## Lincoln County Veteran Service's Office Moving to New Location

(7.13.18 – Lincoln County, OR)

The Lincoln County Veteran Service's Office will be moving from its current location of operations to 1231 SE Bay Blvd, Newport OR, 97365 and will be open for business on July 25<sup>th</sup>, 2018 at the new location. The new office above the Air Gas store boasts better ADA access to facilities in addition to a larger and more comfortable space for veterans to come and inquire with any of their benefit questions.

Because of the move, the Lincoln County VSO will be experiencing brief periods of closure and interruptions to services as the staff plan and address issues that are sure to arise during the transition. For this reason, the office will be closed the following dates: 7/19, 7/20, 7/23, and 7/24. Additionally, Lincoln City Outreach Thursday's will be temporarily suspended but will resume normal operations beginning 7/26. Lastly, as the Lincoln County VSO transitions from its current service model into a more comprehensive resource center, we ask for your patience. We can assure all Lincoln County veterans that a superiority of advocacy unseen in any community of this size around the country is just around the corner with a formal ribbon cutting date TBD.

Lincoln County VSO apologizes for any inconvenience that this may cause but looks forward to welcoming all Lincoln County veterans into this new facility and welcomes any questions you may have about this transition by calling 541-574-6955 or emailing at [vets@co.lincoln.or.us](mailto:vets@co.lincoln.or.us).
