Comments	Unbelievable!!! You commissioners drag your feet for YEARS and now your spokesperson states that you will not be finishing up any details for the lazy guidance rules you have put forth because of the recent vote results. The next five years do not exist for you ? A recall is on the way. You were supposedly elected to DO YOUR JOB! Start doing it people. All of you are a disgrace to the good people who elected you. Both sides of the debate now hold you all in contempt.
