

## About Us

Our Sheriff's Office serves diverse communities throughout the County, including the Confederated Tribes of the Siletz Indians, growing migrant populations, retirees, and travelers. In addition to being home to the beautiful Oregon coast, Lincoln County also has forest lands great for outdoor activities and is a short drive away from larger city centers. Our communities have many activities for tourists and locals alike, including several cultural festivals, performing arts events, art shows, and more.

All five of our divisions, (the Animal Shelter, Corrections, Emergency Management, Patrol, and Support Services) grow alongside our communities to rise above and meet the unique challenges they face. Team members of the Lincoln County Sheriff's Office receive ongoing training, with opportunities to pursue additional development they are interested in.

"I wish more people had the chance to experience how amazing this career can be."

Sheriff Landers, team member of the Lincoln County Sheriff's Office since 1987.

Through innovative leadership and dedication to providing quality services, our Sheriff's Office maximizes its resources to provide a high quality work environment for all of our team members.

We continue to work with our team and the diverse communities we serve to make improvements that benefit everyone.
