FOR IMMEDIATE RELEASE

Help us identify health priorities

Survey open until May 31

NEWPORT, Ore. — What are your health priorities? Access to food? Access to affordable housing? Mental health? Substance use? Or...? Tell us your top three in a short survey at this link: <https://www.surveymonkey.com/r/C2K5J2K>

Your and others' priorities will inform our next Regional Community Health Improvement Plan. This plan will guide what public health, human services, health care and many other organizations focus resources on in Lincoln, Benton and Linn counties.

“Working together we can have a greater impact on health and well-being,” said Florence Pourtal, Public Health Director. “Many of our communities face similar challenges. We’ve identified seven key themes for our region. Now we need help focusing on a few priorities.”

For more information about the Regional Community Health Improvement Plan and ways to get involved go to [Community Health Improvement Plan \(CHIP\) | Lincoln County Oregon](#) or contact Madelyn Hiner, (541) 272-0397, mhiner@co.lincoln.or.us.
