

Take Action Checklist

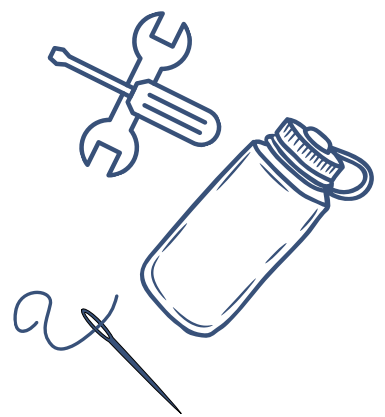

What can we do at HOME and WORK to reduce waste, save energy and money?

✓ REDUCE, REUSE & REPAIR

- Print double-sided in black ink when possible
- Reuse containers, bags, and bottles
- Mail back used printer cartridges
- Buy in bulk to cut down on packaging
- Fix what's broken – check out your local [Repair Fair!](#)

✓ RECYCLE RIGHT

Learn what's accepted from your local hauler:

- [Dahl Disposal](#)
- [North Lincoln Sanitary Service](#)
- [Thompson's Sanitary Service](#)

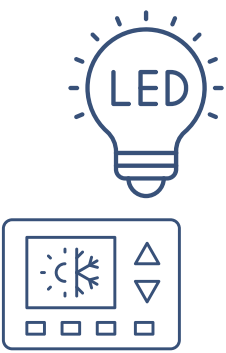

✓ SHOP WITH IMPACT

- Buy used clothing and furniture
- Donate what you don't use
- Buy Local: Support local farmers, fishers & businesses

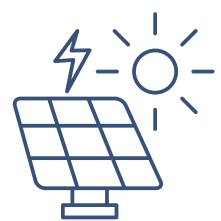

✓ SAVE ENERGY

- Switch to LED light bulbs
- Turn off lights and heaters when not in use
- Lower your thermostat
- Weatherize your home for better efficiency
- Choose energy-efficient appliances and devices

✓ GO RENEWABLE

- Support renewable energy programs

✓ COMPOST & GARDEN

- Compost food and yard waste – skip “compostable” plastics
- Grow your own food or plant native, drought-tolerant species

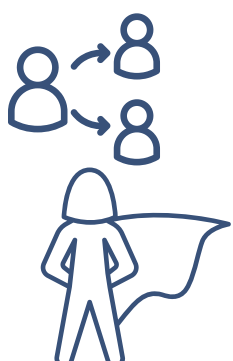

✓ RETHINK TRANSPORTATION

- Walk, bike, bus, skate, roll, or carpool
- Work from home when possible
- Visit [Get There Oregon](#) to plan or share rides

✓ SHARE THE MOVEMENT

- Talk to friends and coworkers about your changes
- Post your actions on social media
- Encourage others to join you!
