The Board may suspend operation of this subsection and enter an emergency order if it finds that there is an immediate and serious danger to the public or that a health hazard or public nuisance would be created by a delay.

Section 7.08. EXCLUSIVE OR JOINT SERVICE UNDER A FRANCHISE.

(1) If, upon recommendation of the Committee, the Board finds that an applicant for a collection franchise cannot provide service to a single customer, a group or type of customers or for a particular type or unusually large quantity of solid waste, it may issue a franchise for joint service with another person who can provide such service. Where the Board finds that the applicant is able to provide adequate service of all types within the defined service area, it shall issue an exclusive franchise for that area to the applicant.

(2) If a franchisee is unable to provide service for particular types or unusually large quantities of solid wastes:

(a) The Administrator may permit the franchisee to subcontract such service to another person if he finds that the quality and extent of service would not be jeopardized. The Administrator may require the filing of such information as he deems necessary. The Administrator may request the recommendation of the Committee on the subcontract.

(b) The Board may issue a temporary or permanent franchise to another person for the limited purpose of providing service to the customer or customers having such solid wastes.

(3) Upon recommendation of the Administrator and a finding by the Board that the need for service justifies action before a complete investigation and final determination can be made, the Board may order the Administrator to issue a temporary certificate, valid for a stated period not to exceed six months, entitling a person to serve a defined service area or customers.

Section 7.09. APPEAL FROM DETERMINATION OF BOARD ON FRANCHISE.

(1) An applicant for a franchise or other affected franchise holders or franchise applicants may appeal an adverse order by filing written notice of appeal with the Board within 30 days of the date of the order.

(2) Unless an emergency order has been entered, the filing of notice of appeal shall suspend operation of the order until a final determination by the Board on the appeal.

(3) The appellant may request a public hearing as part of his notice of appeal. The Board may, upon its own motion or upon request, set a public hearing not more than 30 days from the date of notice of appeal.

(4) The Board shall provide an adequate opportunity for the appellant and other interested persons together with affected public agencies, or governmental jurisdictions to submit written statements or evidence or, if a public hearing is held, to submit oral or written testimony at a public hearing.

(5) Upon the basis of submissions or testimony entered pursuant to this section, the Board may affirm, modify or rescind its prior order. Subject to Court appeal as provided in this ordinance, the determination of the Board on the appeal shall be final.

(6) If the Board makes a final order rejecting all or part of the application for franchise, the applicant may not submit another application

Containing all or a portion of the same service area or same disposal site for a period of six months unless this provision is waived by the Board upon a finding that the public interest requires reconsideration within a shorter period of time.

Section 7.10. RESPONSIBILITIES OF FRANCHISEES. (1) Except as provided in subsection (3) of this section, no franchisee shall voluntarily discontinue service to all or a substantial portion of his service area or at his disposal site until he has:

- (b) Posted 90 days' notice at his disposal site.
- (c) Given 90 days' written notice to the Administrator.
- (d) Obtained approval of the Board.

(2) Where franchisee is not serving a service area or portion thereof at the time of granting the franchise, the Board may order that service be provided at such time as it finds the service to be necessary and reasonable.

(3) Subsection (1) of this section shall not apply to:

- (a) Change, restriction or termination of service when required by any public agency, public body or court having jurisdiction.
- (b) Refusal to provide service to customers refusing to pay for services in accordance with rates established pursuant to his ordinance. Holders of collection franchises shall not discontinue service under this paragraph without seven days' prior written notice to the customer and to the Administrator. Where service has been refused to a customer for refusal to pay for service, the franchisee may require a reasonable deposit to guarantee payment for future services before reinstating such service.
- (c) Transfer of franchises pursuant to section 7.17 of this ordinance.
- (d) Refusal of service to a customer upon reasonable grounds and with the approval of the Administrator upon a finding that service at the particular location would jeopardize the safety of the driver of a collection vehicle or the motoring public, that the customer has not provided reasonable access to the pickup point for the containers storing solid wastes without hazard or risk to the person providing service or that weather conditions prevent service to the particular customer.
- (e) Subcontracts under collection franchises pursuant to section 7.C8 of this ordinance or to a subcontract to operate a disposal site

where the Administrator has approved the subcontract after finding that the quality or extent of service would not be jeopardized. In making his determination, the Administrator may request a recommendation from the Committee, information he deems necessary to insure compliance and written approval of the owner of the land on which the site is located.

Section 7.11. ENFORCEMENT OF FRANCHISE PROVISIONS. In addition to the remedy provided in section 7.13 and penalties provided elsewhere in this ordinance:

(1) The Administrator shall, upon reasonable cause, make an investigation to determine if there is sufficient reason and cause to suspend, modify, revoke or refuse to renew a franchise as provided in this subsection.

If, in the judgement of the Administrator, there is sufficient evidence to constitute a violation of this ordinance, ORS Chapter 459 or the rules or regulations promulgated thereunder, the Administrator shall notify the franchisee in writing of the alleged violation and what steps he must take to cure the violation and follow the requirements set forth in the notice. The Administrator shall send a copy of the notice to the Committee and may forward a copy to the Board. Upon a finding that a violation exists and that the franchisee is unable to or refuses to cure the violation, the Committee shall make its recommendation to the Board that the franchise be suspended, modified, or revoked or that it not be renewed together with any conditions the Committee deems appropriate.

(2) In the event that the landowner or franchisee under a disposal franchise does not comply with agreements executed pursuant to section 7.05 of this ordinance within a reasonable time after written notice to comply, the Board may institute proceedings under subsection (3) of this section to enforce compliance. "Reasonable time" within this subsection shall be determined by the Board upon the basis of the health, safety and welfare of the people of Lincoln County and of the area. In determining what is a "reasonable time", the Board shall give due consideration to, but shall not be limited to, the following:

- (a) The nature of the deficiency.
- (b) Conditions created by the deficiency.
- (c) Hazards to health or safety.
- (d) Creation of a condition of unsightliness.
- (e) Creation of a public or private nuisance.
- (f) Whether there is a satisfactory alternative practice, procedure or operation.

(3) Upon failure of the landowner or franchisee to comply with the Board's order within the time specified therein, the Board shall give 30 days' written notice to the landowner or franchisee or both at their last known addresses. The Board may shorten this notice to a period of not less than 24 hours' notice made to the landowner or franchisee if the Board finds that there is an immediate and serious danger to the public through creation of a health hazard or a public or private nuisance. After required notice, the Board shall hold a public hearing at which all interested persons shall have the right to be heard. After the public hearing and on the basis thereof, the Board shall have the power to order appropriate county agencies to correct the deficiencies in the establishment, maintenance or operation of the site, or to make required rehabilitation or restoration.

(4) The cost incurred by the County in carrying out subsection (3) of this section shall be paid by the landowner or franchisee or both. If not paid, the Board may order appropriate action to be taken to impose a lien upon the subject premises.

Section 7.12. SUSPENSION, MODIFICATION, REVOCATION OR REFUSAL TO RENEW A FRANCHISE.

(1) Upon recommendation by the Committee or upon its own motion, the Board may suspend, modify, revoke or refuse to renew a franchise upon finding that the franchisee has:

- (a) Willfully violated this ordinance or ORS Chapter 459 or rules or regulations promulgated thereunder;
- (b) Materially misrepresented facts or information given in the application for the franchise;
- (c) Willfully refused to provide adequate service in a defined service area or at the franchised disposal site after written notification and a reasonable opportunity to do so; or
- (d) Misrepresented the gross receipts from the franchised service area or disposal site if such reports are required by this Ordinance or by order of the Board.

(2) In lieu of immediate suspension, modification, revocation or refusal to renew a franchise, the Board may order compliance and make the suspension, modification, revocation or refusal to renew a franchise contingent upon compliance with the order of the Board within the period of time stated therein.

(3) If the Board suspends, modifies, revokes or refuses to renew the franchise, the action shall not become effective until 30 days after the date of

the order unless the Board finds that there is a serious and immediate danger to the public health or that a public nuisance would be created. The holder of a franchise may request a public hearing before the Board on the order by filing a written request for such hearing with the Board within 30 days after the date of the order. Upon filing of request for hearing, the Board shall set a time and place for a public hearing within 30 days of the request. The franchisee and other interested persons or affected public agencies or public bodies may submit oral or written evidence to the Board relevant to the Board's order. The Board may, following the public hearing, affirm, amend or rescind its prior order and shall do so within 30 days of the public hearing. Subject to court appeal as provided in this ordinance, the determination of the Board shall be final.

Section 7.13. PREVENTING INTERRUPTION OF SERVICE. Any applicant for a franchise or franchise renewal agrees, and it is a condition of his obtaining and holding the franchise, that whenever the Board finds that the failure of service or threatened failure of service would result in creation of health hazards or public or private nuisances, the Board shall, after reasonable notice but not less than 24 hours notice to the franchisee and a public hearing if the franchisee requests such hearing, have the right to authorize another franchisee or other person to provide service or to use and operate the land, facilities or equipment of the franchise holder to provide service or to use and operate the land, facilities or equipment of the franchise holder through leasing to provide emergency service in the event of a serious interruption of service to all or to a class or group of customers for so long as such interruption continues.

Section 7.14. FRANCHISE TERM AND RENEWALS. (1) Unless the Board finds that a longer or shorter term is required in the public interest, the term for collection franchises shall be ten years.

(2) The term for disposal franchises shall be determined by the Board upon the basis of a recommendation by the Committee based upon site longevity, population to be served and probable use.

(3) Unless grounds exist for refusal to renew a franchise under Sections 7.12 and 7.13 of this ordinance, franchises shall be renewable. Applications for renewal shall be made on forms provided by the Administrator.

Section 7.15. FRANCHISE FEES. The Administrator shall collect, in the manner and at the time provided in this section, from the holder of:

- (a) Any collection franchise. An annual fee of \$10.00 per collection vehicle exceeding 6,000 pounds gross weight

payable to the Administrator on January 1st of each year.

- (b) Any disposal franchise. An annual fee of \$25.00 payable to the Administrator on January 1st of each year.

Section 7.16. USE OF FRANCHISE FEES. Fees collected pursuant to Section 7.15 of this ordinance shall be paid into the General Fund.

The Committee may make recommendations to the Board on a budget for the use of such funds to carry out the provisions of Section 2 of this ordinance.

Section 7.17. TRANSFER OF FRANCHISES. A franchisee may transfer his franchise, or a portion thereof, to other persons only upon written notice to and approval by the Board.

Upon a recommendation and finding by the Committee, the Board shall approve the transfer if finds that the transferee meets all applicable requirements met by the original franchise holder. The Board shall approve or disapprove any application for transfer of a franchise within 30 days of receipt of notice by the Board. The Board may extend this time if it finds that there is a substantial question of public health or safety involved which requires additional time for investigation and decision.

Upon a recommendation of the Committee, the Board may permit a franchise to be pledged as security for purchase of land, equipment or facilities needed to provide service or to finance purchase of a business providing service under this ordinance. The Board may attach whatever conditions it deems appropriate to guarantee maintenance of service.

ARTICLE V. RATES FOR COLLECTION AND DISPOSAL SERVICE.

Section 8.01. DETERMINATION OF RATES. (1) Upon recommendation by the Committee, the Board may:

- (a) Approve and establish rates filed by applicants for franchises if it finds that such rates are not demonstratively unreasonable and are not substantially higher than those charged generally in the County under similar service requirements and for the same or similar quality of service or it may establish a different rate schedule.
- (b) Establish uniform rates throughout the county or establish rates that are uniform within zones based upon the length of haul to disposal sites, concentration of customers and other factors which may, in the opinion of the Board, justify establishment of rate differentials.

- (c) Establish rates for disposal sites that are uniform throughout the county or different rates for each site or class of sites.
- (d) Increase or decrease rates based on the cost of doing business.
- (e) Establish an interim rate until the Board makes a final determination on the rate for that type of service.

(2) In determining rates, the Committee and the Board shall make a finding that the rates will be just, fair, reasonable and sufficient to provide proper service to the public. The Committee and the Board may consider rates charged by other persons performing the same or similar service in the same or other areas. The Committee and the Board shall give due consideration to:

- (a) The investment in facilities and equipment.
- (b) The services of management.
- (c) Local wage scales.

- (j) The cost of alternate methods of disposal.
- (k) The future service demands of the service area or disposal site which must be anticipated in equipment, facilities, personnel or land.
- (l) Extra charges for special pickups or pickups on days where service is not normally provided on a collection route.
- (m) Extra charges where the type or character of waste or solid waste, including but not limited to, wastes with peculiarly offensive odors, requires special handling or service.
- (n) Extra charges for providing janitorial services on the premises where service is provided.

- (o) In addition, with respect to disposal sites, the type of site, whether the site is open to the public and hours, type of waste disposed of and method of disposal.
- (p) Cost of compliance with laws, ordinances or regulations and rules of public agencies or bodies having jurisdiction.
- (q) Other factors which may, in the opinion of the Committee and the Board, necessarily affect the rates to be charged.

(3) The Board may require an investigation by the Committee of any proposed rates. For the purpose of making this investigation, the Administrator shall assist the Committee and the Committee is authorized to hold public hearings and to take and receive testimony. Upon completion of such an investigation, the Committee shall report the results of any public hearing, its findings and its recommendations to the Board.

Section 8.02. RATE PREFERENCES PROHIBITED. (1) No franchisee subject to rate regulation by this ordinance shall give any rate preference to any person, locality or type of solid waste stored, collected, transported or disposed.

(2) Nothing in this section is intended to prevent:

- (a) The reasonable establishment of uniform classes of rates based upon length of haul, type of solid waste stored, collected, transported or disposed of or the number, type and location of customers served or upon other factors as long as such rates are reasonably based upon costs of the particular service and are approved by the Board in the same manner as other rates.
- (b) Any person from volunteering service at reduced cost for a charitable, community, civic or benevolent purpose.

Section 8.03. RESPONSIBILITY FOR PAYMENT FOR CHARGES FOR SERVICE.

Any person who receives service shall be responsible for payment for such service. The landlord of any premises shall be responsible for payment for service provided to that premises if the tenant does not pay for the service.

Section 10.01. CREATION OF NUISANCE BY ACCUMULATION OF SOLID WASTE PROHIBITED.

Except as provided in Section 4.02 of this ordinance, no person shall store, collect, maintain or display on private property, waste or solid waste that is offensive or hazardous to the health and safety of the public or which creates offensive odors or a condition of unsightliness. (4) Nothing in this section shall prohibit the accumulation or temporary storage of solid waste in receptacles provided for that purpose in compliance with ORS Chapter 459 and this ordinance and rules and regulations promulgated thereunder.

(1) The Administrator may, or upon the written and signed complaint to the Administrator, by any person, public agency or public body, the Administrator shall investigate to determine whether or not any storage, collection, maintenance or display of solid waste is in violation of Section 10.01 of this ordinance. The Administrator may request the assistance of the Lincoln County Sheriff for the purpose of conducting preliminary investigations of any complaints filed pursuant to the ordinance or investigations instituted by the Administrator. The Administrator or any officer investigating

may enter upon the property concerned for investigation purposes.

(2) After investigation, if the Administrator finds reasonable cause to believe a public nuisance exists, he shall give written notice thereof to the Board and to the alleged violator.

(3) The Board may then order that a notice be issued and served upon the owner, tenant, occupant or person in possession of the premises where the nuisance is alleged or claimed to exist, requiring such person or persons to appear before the Board at the time and place stated in the notice to show cause why a nuisance should not be declared to be existing on the premises. Unless the Board finds that there is an immediate and serious hazard to the health or safety of the public, time set for the hearing shall not be less than 15 nor more than 40 days from the date of notice.

(4) At the time and place described in said notice, the Board shall conduct a public hearing on the existence of the alleged nuisance. The Administrator shall report his findings. The persons served with notice shall be permitted to cross-examine the Administrator or other witnesses and to present evidence or to make a statement on their own behalf. Any interested person, public agency or public body who requests the opportunity shall be heard, subject to the right of the persons served with notice to cross-examine. The Chairman of the Board shall have witnesses placed under oath.

(5) If the Board finds that a nuisance exists, it shall declare the existence of a nuisance by order entered in its journal and if no agreement is made to abate the nuisance within a time specified the Board may order a suit to be brought in the name of the county for its abatement.

(6) Where a writ of abatement from an appropriate court is obtained in a suit brought under this section, the County may remove from the subject premises the solid wastes or wastes found to be the cause of such nuisance. The cost of such collection shall be paid by the person or persons found by the Board and the Court to be responsible for the creation or maintenance of the nuisance and shall be a lien upon said premises until paid. The owner of the premises and any tenant or leasee shall be jointly and severally liable for such costs.

(7) The County or its agents shall not be liable for any trespass to, or conversion of, any real or personal property reasonably occurring in removing said waste or solid waste.

(8) The provisions of this section are in addition to and not in lieu of the penalty described in Section 11.04 of this ordinance.
